

Bio for Dr. Monica Roundtree Cleckley, APRN-BC, NP-C

Dr. Roundtree Cleckley is a Board Certified Family Nurse Practitioner. She received both her bachelor's and master's degree in Nursing from Florida Atlantic University and earned her Doctor of Nursing Practice (DNP) degree from the University of Miami. She most recently completed her Post Master's Certificate as a Psychiatric Mental Health NP in December 2023. Her experience includes diagnosing and treating patients across the lifespan (infant to older adult) in a primary care and community health setting. During her career she has taught at the doctoral level as an Assistant Professor of Nursing at Palm Beach Atlantic University and has been in the adjunct teaching role at both Keiser University, Nova University and Palm Beach State College.

As a medical provider, Dr. Roundtree Cleckley has identified a healthcare gap, especially in the minority communities. She was recently named the Clinical Director for the FAU/NCHA Community Health Centers which serves to provide access to quality healthcare services to include mental health and pediatric care. It has been Dr. Roundtree Cleckley's experience that when it comes to one's health, "you don't know what you don't know." The goal is to provide practical health knowledge, information and services for optimal living.
